Regarding the effect of the devastating earthquake and tsunami in North Eastern Japan.

From the bottom of our hearts, we would like to extend our deepest sympathies to those who were affected by the earthquake and tsunami on March 11th 2011.

We would also like to thank our customers and agents abroad for their concern and messages of support to our employees and the people of Japan at this time.

We have the following information to report regarding the effect on our operations:

1. Damage

According to the information we have received so far, none of our employees have been injured due to the earthquake.

There is no damage to head office, branches, and factories, and they are operating normally.

2. Business performance

If there is any significant effect on our business due to the earthquake, we will inform you as soon as possible.

We sincerely hope for the early reconstruction of the area, and pray for safety of all those affected by the disaster.

Yours sincerely,
